Jonesborough man accused of theft

● JOHNSON CITY — A 24-year-old Jonesborough man has been arrested and charged with forgery, two counts of theft of property over $1,000, and three counts of deceptive business practices. Police said David E. Hatley, 138 Woodlawn Circle, was arrested at 9:30 p.m. Thursday after an investigation into a complaint that he sold pools and spas to various customers and did not install them. Police said the forgery charge comes from a complaint that Hatley altered a sales contract. Hatley is being held in the city jail under a $30,000 bond with a preliminary hearing scheduled in city court on Wednesday.
